

Freestyle Libre

PRINTABLE DIY STICKERS

Supplies Needed:

- + Scissors
- + Doubled Sided Tape (min 1" wide)
- + Packing Tape (min 1" wide)

Instructions:

1. Cut out one libre pattern.
2. Put libre pattern on double sided tape FACE UP
(so the blank/white side is on the sticky part of tape).
4. Put packing tape on top of libre pattern (the pattern side).
5. Trim excess tape.
6. Peel off back side and apply to your libre sensor.
